DIRECTIONS

These are the Directions copied from the Country Aire Campground web site:

From the East, North and South:

Take Exit 43 (old exit 26) off of I-91 to Route 2 West

Go 13 miles to Charlemont

Do not turn right on to East or West Oxbow Rd, even if your GPS tells you to. This road is not suitable for any RV over 30 feet especially, if you are towing a car. The road is narrow and goes up hill and has no space to turn around.

Our driveway is on the right hand side, look for the campground sign.

Driveway is about 1/4 mile long

Our driveway is immediately before the Oxbow Motel and Otters Restaurant

What you pass before you get to us ...

Shelburne Falls – known for the Bridge of Flowers, Glacial Pot Holes, quaint village with interesting shops and good restaurants. The turn to this village in about 2.5 miles before Country Aire Campground.

Crabapple Whitewater Rafting – On the left hand side of Route 2, 1 mile from Country Aire Campground

Large farm house on the right

Several homes

The Little Red School House – we are just around the corner – slow down!! Do NOT turn (R) onto East or West Oxbow Rd.

Brick house with a large barn beside it

Country Aire Campground driveway is on the next right. It is the driveway after the Country Aire Campground sign.

From the West on Route 2:

Follow Route 2 thru the center of Charlemont, continue 4 miles

The Academy of Charlemont will be on your left

When you go by the Red Rose Motel, slow down!!

After the cemetery and the Oxbow Motel and Otters Restaurant turn left on the second driveway. Travel 1/4 mile on this road

We have sites 1-14, 33-40, 44-47, 49, 52, 54, 55 and 56. (Circled in black.)
